

Satisfied Clients:

"Steffi is extremely professional, positive, and very personable. Content aside, Steffi made a lasting impression on our staff and did an excellent job relaying a deep message in just an hour. Anyone looking for a great lunch n' learn topic for their company should call Steffi for her kindness seminar!"

LaRhae Priestley, HR
Robins Appleby Law Firm

"Steffi was the keynote speaker for our most recent staff development day and her presentation was spectacular. She worked tirelessly with our team to create a presentation and corporate kindness plan that was tailored to our organization's needs. Steffi's efforts truly made a big impact on our organization and the way we treat one another. Steffi earns my highest recommendation."

Ashleigh Dronyk,
Information Resources & Connections Manager
Niagara Falls Public Library

"We were honoured to have Steffi speak at our Unlock The Power Of Mindfulness Event. Steffi has a way of lighting up a room and raising the energy levels of a group - that's one of Steffi's many gifts. Her engaging and authentic style are infectious and she knows how to connect in a meaningful way with her audience."
